

EMBASSY OF THE UNITED STATES OF AMERICA
MAJURO • REPUBLIC OF THE MARSHALL ISLANDS • 96960

May 30, 1997

Dear Mr. Minister:

I deliver to your Government on behalf of Ambassador Plaisted boxes of documents numbers 50 through 55 provided by the Department of Energy (DOE) and received at the Embassy on May 27. As mentioned in the enclosed transmittal letter to Ambassador de Brum, DOE believes the documents in Box 50 respond to the request contained in your letter sent to Ambassador Plaisted on October 31, 1996.

As the Ambassador and DOE officials have been most assiduous in following up on your specific request of last October, after checking the documents provided, we would be appreciative to know if you have further requests relative to that October 31 letter.

Sincerely,

Donald E. Ahern
Charge d' Affaires, a.i.

Enclosures: Muller/Plaisted letter of October 31, 1996
